Mission Statement

South Delta Secondary School is a community of learners contributing to an environment which fosters mutual respect and encourages learners to develop the knowledge, skills, and attitudes necessary to reach their potential as responsible, educated citizens in a changing world.

Principal's Message

Although we are just into the month of February, the course selection process for the 2007/08 school year is upon us. With the completion of our Course Planning Guide, our counsellors will soon be visiting classes to help our students select courses and plan for not only next year but their future years beyond SDSS. We strongly believe that selection of next year's courses should involve the counsellor, student and most importantly, the parents. With this in mind, parents of current Grade 8 - 11 students are invited to our Course Planning Night on Monday, February 12th at 7:00 pm. Parents of current Grade 7 French Immersion students are encouraged to attend our French Immersion Course Planning Night on Tuesday, February 13, while parents with current Grade 7 Regular Program students are asked to join us on Tuesday, February 20th. School counsellors and administration will be in attendance to outline course options, share Grad Program requirements, discuss transition issues, as well as answer any of your questions related to course selection and/or your son or daughter's success at South Delta. With the increasing demands placed on students today, coupled with the ever rising requirements for post secondary admission, it is important that parents are involved in the planning process. Please mark our Parents Course Planning Evenings on your calendar and join us for a valuable evening of information and dialogue.

A list of students receiving recognition for G Club, Honour Roll, and Principal's List standing for the first reporting period has been included in this newsletter. Congratulations to those students recognized for their academic achievement. Although we are most pleased and proud of the many students who achieved such excellence we are also concerned about those who are not achieving success or who are not working to their potential. With only five weeks remaining in our second term, all students are encouraged to enter into a regular routine of study and review, if they have not already. Students requiring additional support with their studies should see their teachers for additional help outside of regular class time. Those wishing to enlist the help of an outside tutor should contact their counsellor.

Parent/Teacher Conference Request forms were sent home with students on Monday, January 29th. If your form did not make it home they are available on our website or from the office front counter. Please return your form to the office as soon as possible. If you are unable to attend the conferences scheduled for February 15th and wish to discuss your child's progress please contact your child's teacher or counsellor.

South Delta Sun Devils Athletics Update

Grade 8 Girls Basketball Coach: Mr. R. Hayes

Congratulations to the Grade 8 Girls Basketball team on a fun filled adventurous start to high school basketball. The girls have played well, winning some and offering learning experiences in others. We are looking forward to the playoffs and the opportunity to showcase our talents. Well done girls - Jill Battison, Brooke Bogress, Alex Bohm, Carmen Fung, Lydia Groves, Shannon Herold, Sadie Karmazyn, Mary McColl, Breanne McKenzie, Melissa Saam, Irene Sencio, Hilary Walker, Eve Tsou, Sam Coutts, and Brittany Bouma.

Sr. Girls Basketball

Coach: Mr. D. Craig

The senior girls have played three league games and are currently a perfect 3-0. Their next big test will be against #1 rated Elgin Park on Feb 6th. The team placed 6th at the tough MEI Tournament where Kaitlyn Widsten was named a 1st all star. Last weekend the team won the Steveston Purple and Gold Tournament defeating three different Richmond teams by 20 points or more. Paige Collings and Saraya Hickey were named to the all tournament team and Kaitlyn Widsten was named MVP. Jessica Renshaw, Scarlett Huntington, Sarah Jack, and Chelsea Vanderwerff also put in strong performances. Alexa Greenman did well in the final despite missing the rest of the tournament with the flu. Emma Nixon and Johanna Johnson have joined the team this year after not playing for a couple of years. Their terrific attitudes have been very important to the team's success!

Sr. Boys Basketball

Coach: Mr. B. Howard

The Senior Boys Basketball team is off to a very positive start. With only standouts Riley Golby and John Bridle as returning players, coaches Barry Howard and Steve McGilligan were prepared for a re-building year but have been pleasantly surprised. The nine grade elevens have all contributed to the success of the team. Cody Cochrane leads the way with outstanding offensive and defensive efforts. Brett Pearson, Parm Brar, and Steve Johnson have also contributed to the high tempo team concept. Newcomers Kenny Lin, Graham Kean, Jerry Chou, Malvinder Sahanserwal, and Michael Chang have all added significant efforts. All of the boys continue to demonstrate that sportsmanship and integrity is the foundation of South Delta athletics.

Coach Howard thanks Max Huang, Team Manager and the Scorekeepers for their volunteer time.

Curling

Coach: Mr. J. Brown

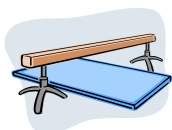

The SDSS Curling Club has had a good season of curling instruction and practice in our lead up to the regional playdowns. We will have three teams competing February 8th - 11th at the Tunnel Town Curling Club. The winner of the boys and girls divisions will represent the zone at the Provincial Championships in Trail. The students competing are:

Collin Ross	Holly Walker	Rhys Gamache	Alex Blackwell
Pat Nasilowski	Katie Battison	Carter Brown	Megan Beaton
David Wright	Eric Sheremeta	Jaymie Lundrigan	Evan Gallagher
Phil Cavouras	Cameron Sundahl		

Special thanks to Mrs. Ronette Ross for her hard work in making the curling club so successful.

Gymnastics

**Sponsor:
Mrs. M. Marks**

Sponsored by Mrs. Marks and trained by coaches from Delta Gymnastics, this is a co-ed team of 17 students in grades 8 to 12. They have been working hard, perfecting their skills and preparing their routines for the competitive season, which has just started. They were impressive at their first meet, which was held on Saturday, January 20th in Delta. Next they will participate at the Zone Competition on Saturday, February 10th at Delta Gymnastics and then at the Fraser Valley Championships on Wednesday, February 21st at Omega Gymnastics in Coquitlam. After that, qualifying team members will be at Seycove Secondary in North Vancouver, from March 8th through 10th, for the Provincial Championships. Our SDSS Gymnastics team includes: Shannon Bartley, Sydney Bruinink, Mackenzie Clegg, Ryan Dagg, Tore Fischer, Kelsey Hindmarch, Kirsten Hudson, Wes Jones, Lexy Kaltenecker, Brittany Kaughman, Cam Lawrie, Emily Mann, Mellanie Marshall, Tracy Murray, Andrew Roach, Eric Sheremeta, Talia Stovall. Good luck SDSS gymnasts!

Homestay

Although still in the planning stages, we anticipate hosting a group of 10 - 15 Junior High school students from Thailand for 3 to 4 weeks in late March through to the end of April. This group of delightful girls, 13 to 16 years of age, will require homestays for the 3-4 week period. Our hope is to place the girls with families with girls of similar age who are attending SDSS. It may be a terrific opportunity for those interested in hosting an International student without making a year long commitment. Homestay families are compensated by the District for hosting a student. If you are interested please contact Teri Gallant at deltahomestay@dccnet.com

Equinox Theatre

THE WIZARD OF OZ

There's no place like home for drama and stagecraft students these days. The theatre is fairly jumping with energy as we go into the final week of rehearsal for our musical *The Wizard of Oz*. If you loved Judy Garland in the well loved film, you'll love our production, which faithfully follows the story line but adds elements only live theatre can provide. We've got a souped up bike for the grouchy Mrs. Gulch, special film effects professionally produced by volunteers from CBC, black light tap dancing, a forest that comes to life, and SNOW!

In addition to the 300 drama and stagecraft students, we've had student volunteers, alumni, professional choreography, make up, direction and technical assistance. Our set was designed in house and built in house by our woodworking students. Our theatre management students are handling front of house and ticket sales, our art students have painted the fantasy sets, and our actors are currently benefiting from the direction of Richard Cox who has taken over as Paige Hansen leaves to have her second baby.

To see what a community of learners can do, come out to see our production, running February 6th to February 10th, at 7:00 p.m. Its live theatre, so it's a different show every night, and with a real dog, you may see some great improvisation as well!

All seating is reserved and tickets can be purchased at our box office (just outside the theatre) from 3:00 - 7:00 p.m. each day, or call our box office 604-943-7532 to reserve your tickets which will be available for pick up the next day. Visit our fantastic new website at www.equinoxtheatre.ca to keep up with this and other events.

Watch for our One Act Festival coming in the spring.

There's no place like home.....

The support of our community is truly inspiring and something we should all be very proud of.

Thank you parents of grade 10 and 12 students for completing your Satisfaction Surveys.

Delta School District Presents A Special Free Event for Parents:

GAYLE GREGORY: "ONE SIZE DOESN'T FIT ALL"

Thursday, February 15, 2007

7:00 - 9:00 PM

Seaquam Secondary School Library

Parents are invited to attend this free presentation, "One Size Doesn't Fit All", by Gayle Gregory, experienced educator, internationally known speaker, and best-selling author.

All children are unique. They look different, have different personalities, and learn differently because their brains are wired differently. Even within the same family, they are not identical. Thus, in schools, educators are realizing that "one size/style of learning doesn't fit all." With information and research about the brain, learning preferences, and the changing world, educators are paying much more attention to what will engage learners and create long term memory. In this session, discover the implications and what strategies schools are utilizing to increase success for all students.

Gregory has been Course Director with the Faculty of Education at York University and Staff Development Coordinator for a large school district. Her books include *Designing Brain Compatible Learning*; *Thinking Inside the Block Schedule: Strategies for Teaching in Extended Periods of Time*; and her best selling book, *Differentiated Instruction Strategies*.

Light refreshments will be served.

REGISTRATION: The session is free but pre-registration is required. Parents can register with Delta Parent Advisory Council at deltadpac@deltasd.bc.ca by February 9th, 2007.

SNOWBOARDING

According to the BC Injury Prevention Centre, a recent study from Vancouver Hospital & Health Sciences Centre shows that snowboarders are four times more likely than skiers to hurt their spinal cords. Many of these very serious injuries occur during jumps of more than 2 metres.

Four steps to be injury-free:

- **Get training.** Pre-season exercise gets you in shape. Learn basic manoeuvres from an instructor so that you stay in control.
- **Know your Abilities and Experience.** Ski and snowboard with a friend. Always stay in sight of each other in case of an emergency.
- **Know your Physical Environment.** Be aware. Know snow conditions.
- **Know your Attitude.** A positive mental attitude will help you look for hazards, stay in-bound and choose the best run.

MISTAKES?

Yes, we do make them. It's difficult to track all 'G' and Honour Roll winners, there may be inadvertent omissions from these lists. Please call Mrs. Elliott in the school office if you feel an error has been made. We will publish a correction notice in our next newsletter.
