Dear families,

Together we can make a difference

With the long weekend about to start, we know the temptation to spend time with friends and family, often in gatherings or at favourite locations or even on trips out of town, is strong.

But this long weekend is different. Please stay home. Stay in your local community. And if you do go out, stay at a safe distance from others – at least 2 metres. Instead, we encourage you to find ways to connect virtually this long weekend, using video calls or phone calls.

By doing this, together we will help slow the spread of COVID-19 and more importantly, we will be protecting our loved ones and our health care workers.

Essential Services Workers

If you have children and are an Essential Services Worker as defined by the [provincial government](#), trying to make a decision between working or staying at home with your children, please email ESW@deltasd.bc.ca with your contact information and needs.

Please include a phone number to make it easier for us to get in touch with you. Someone from the school district will be in touch as soon as possible to discuss next steps. If you have already emailed and have not received a response, please check your junk email folder and/or email us again including a phone number. We have received a large volume of emails and want to ensure we have not missed anyone.

Many thanks, and stay healthy!
