# Welcome To Delta Continuing Education

## Mission:

To enable all learners to succeed and contribute their full potential to the future.

## Vision:

The Delta School District is a leading district for innovative teaching and learner success.

## Values:

Caring, Respect, Responsibility,  
Community, Excellence

## DELTA BOARD OF EDUCATION

## HEALTH AND SAFETY FOR LIFE-LONG LEARNERS

The priority of Delta School District, including the Continuing Education branch, remains fulfilling our mission to enable all learners to succeed and contribute their full potential to the future while at the same time ensuring a healthy and safe environment for students, families, and employees.

With that in mind, we have implemented a comprehensive Safety Protocol at all locations. Some Continuing Education programs will continue to provide some or all instruction on-line, while programs designed for in-class instruction will be delivered that way during the upcoming term as long as it is safe to do so.

At any time, in response to recommendations from health authorities, Delta Continuing Education may need to postpone classes or, where appropriate, teach via on-line options.

## THINGS YOU SHOULD KNOW:

- Anyone who is feeling sick should not attend class.
- If it ever becomes necessary, Fraser Health Authority will initiate contact tracing to identify any individuals that need to self-isolate or self-monitor for symptoms. If you do not receive a phone call or letter from Fraser Health, please continue attending class as planned. For privacy reasons, Delta School District staff cannot give out any further details.
- Names of members of a specific class will be shared with public health authorities only if requested for the purposes of contact tracing.
- Wearing masks at all times during an in-person class is not required but students are encouraged to bring and wear masks when the nature of the class, or practical portions of it, make physical distancing difficult or while in high traffic areas such as hallways.
- Please visit [www.deltasd.bc.ca](http://www.deltasd.bc.ca) for up-to-date information related to Delta School District and its COVID-19 response.

Thank you and stay safe.

## ADULT ENGLISH FOUNDATIONS

**All Adult English Foundations courses work toward student mastery of skills and understanding of English Language Arts through instruction and practice of oral language, reading and writing.**

**English Foundations 1 - EF1** - This course is for students with beginning level skills in English. Students will practice listening and speaking skills in very simple conversations. Students will also practice the English alphabet, sounds, and numbers, as well as reading and writing in short, basic words and phrases.

**English Foundations 2 - EF2** - This course builds on the skills developed in Foundations 1. Students will work on their listening and speaking skills in simple conversations. Learning new words and building reading and writing skills are also important in this course.

**English Foundations 3 - EF3** - This program builds on Foundations 2 skills with basic grammar, reading, and vocabulary development. Students will also practice listening and speaking skills needed for higher level courses.

**English Foundations 4 - EF4** - This course will teach students how to write short paragraphs. Students will also improve their reading comprehension and vocabulary while reading stories and nonfiction. Students will work on the speaking and listening skills needed to be successful in Foundations 5.

**English Foundations 5 - EF5** - Students will read literature and nonfiction while learning strategies to become a better reader. English grammar will be reviewed and students will learn to write longer paragraphs. Students will also work on the speaking and listening skills needed in higher level courses such as English Foundations 6 and up.

## ADULT FOUNDATIONS

**English Foundations 6 - EF6** - This course will help students to develop more advanced speaking, listening, reading, and writing skills in preparation for EF 7 or English 10. Paragraph writing is emphasized.

**English Foundations 7 - EF7** - This course refines student's reading, writing, and oral language skills developed in English Foundations 6 and prepares students for English 11. Essay writing is introduced.

## SOCIAL STUDIES FOUNDATIONS

### Canadian Citizenship & History (Levels 3 – 6):

Need help preparing for the Canadian Citizenship Test? This is the class for you! Learn about the government, geography and history of Canada including the tragedy of the residential school experience. Celebrate Canada's multiculturalism by watching videos, and exploring material online. (Computer use required.)

# Adult Foundations

## SUPPORT COURSES

**Companion Speaking/Listening 1/2 - CSL1/2** - This course is for students with very limited English language skills. The focus of this course is on oral language. Students will practice speaking and listening skills through pronunciation, conversation, and oral comprehension exercises.

**Companion Reading 1/2 - CR1/2** -

This course is for students who have very limited English language skills and need support in reading. Students will work on basic phonics, on understanding common words and symbols, and on responding to simple written selections.

**Companion Reading 3/4 - CR3/4** - This course is designed for students who have an intermediate level of skill and understanding in reading English. Emphasis is placed on improving reading comprehension skills, grammar, and vocabulary using a range of reading materials. This course will have an interactive component emphasizing speaking and listening as well as verbal expressions of understanding, opinion and debate.

**Companion Writing 3/4 - CW3/4** - This course is designed to support students in intermediate levels of English Foundations (3 - 4). Emphasis is placed on practical application of writing skills and on improving grammar and vocabulary.

**Companion Writing 5/6/7 - CW5/6/7** - This course is for students who are preparing for higher levels of English Foundations study (Foundations 5 - 7). Emphasis is placed on practical applications of writing skills and on improving vocabulary.

## ADULT MATHEMATICS FOUNDATIONS

### MATHEMATICS FOUNDATIONS 4 - 7 (Math Upgrading)

**Math Foundations 4-7** - Teacher support and instruction is provided in a multi-level setting. Students work individually or in small groups.

**Math Level 4** - Students will become familiar with fractions and area and will be introduced to decimals, percent, order of operation and volume.

**Math Level 5** - Students continue to work with the concepts of area and volume. They are introduced to integers, ratios, proportions and powers.

**Math Level 6** - Students work with the concepts of polynomials, square roots, integers, and graphing. Prepares students for Math at the Grade 10 level.

**Math Level 7** - Students will work with the concepts of operations on irrational numbers, polynomials, linear functions, and trigonometry. Prepares students for Math at the Grade 11 level.

### INFO TECH FOUNDATIONS 1 - ITF-1

This is an introduction to computer skills, keyboarding, MS Word, and Excel. This course also includes instruction related to internet search skills, e-mail basics, attachments and photos. English Foundations 3 or higher is recommended.

## **Delta Individualized Adult Learning (DIAL)**

Think online learning is not for you? Think again!

DIAL gives you extra support through your learning journey – even online! Video conferencing and regular check-ins with the instructor are all part of the individualized experience.

The DIAL program provides adult students with the opportunity to progress through one of several BC Ministry of Education approved high school courses available while having access to teacher instruction and guidance in a supportive and friendly classroom and online atmosphere. Although courses contain an online/computer-assisted component, the DIAL program differs from distributed learning (Delta Access) in that classes are smaller; students are expected to participate and check-in with their teacher every week. The teacher supports and assesses student progress and courses must be completed in one semester.

Students who do not complete a course within the allotted time (one semester) will be considered to have “not successfully completed the course” and may re-register in the DIAL program the following semester and take the entire course again.

Individuals progress at different rates and so some students may complete a course before the end of the semester. **English 10 or English Foundations 7** is required to register for a DIAL course.

## Online Learning for Secondary Students

Delta School District is pleased to provide online learning opportunities for those interested in courses at the grade 10 to 12 levels. All BC residents are fully funded by the Ministry of Education. Graduated Adults are also funded for academic upgrading courses.

We offer a wide variety of courses designed to meet a wide range of needs. You can expect that by enrolling in an online course through Delta School District that you will receive a rich educational experience taught by highly qualified teaching staff. Online curriculum will be supported by frequent communication through a variety of electronic means and, if you are in the BC Lower Mainland area, by optional face-to-face communications as well. Online learning offers students opportunities to access instructional materials that fully meet the provincial learning outcomes using technologies that provide access at times and places convenient to students.

Students might choose an online course for a variety of reasons:

- You want to compress the time period in which to complete the course.
- You have a conflict in your timetable.
- Your school does not offer a course you want.
- You want to experience an online learning course.
- You have a different learning style.
- You would like to upgrade a course that you have previously failed or taken and want a higher mark.

If you wish to take an entire course of studies through Delta Access, you can register as a full time Distributed Learning student and the District can provide you with other, additional support, as well.

**For more information, including registration and course selection, please visit**  
<http://www.deltalearns.ca/deltaaccess/>

## Language Challenge Exams

**Are you already fluent in an additional language and interested in gaining secondary school level credit for it?** Delta School District's Continuing Education branch offers Language Challenge exams in the following languages:

- French 11/12
- Japanese 11/12
- Mandarin (simplified) 11/12
- Mandarin (traditional) 11/12
- Korean 11/12
- Punjabi 11/12
- Spanish 11/12

The purpose of Challenge is to permit students who have already acquired the appropriate learning elsewhere to obtain credit for a Grade 11 or 12 course. Students who request the opportunity to challenge a course must be able to give compelling evidence that they will succeed in the challenge and that it is in their best interests.

For more information or application for future exams, please contact your school's counselling department or visit:

## Academy Programs

As a result of the current COVID-19 pandemic, **Delta School District has made the difficult decision to put all ACADEMIES on hold for the 2020/2021 school year.**

We thank you for your patience as we put our focus on the priorities put forward by the Ministry of Education and attend to required curriculum.

Academy programs are District-run elective classes that may or may not take place at a different high school than where the student attends. Programs are credited courses scheduled within the school day. These courses fulfill students' graduation requirements. **Transportation between Delta schools is available for most academies.** Students from both out-of-catchment and out-of-district are eligible to participate in an academy program. Out-of-district students must be registered at a Delta school. Delview Secondary's courses are not compatible nor are any grades 9-12 courses at North Delta Secondary.

### **Applying is a two-part process:**

1. Apply through MyEdBC
2. And also through online registration on the Delta Academies website

**For online application, fees, videos, program content and transportation information, visit us at: [deltaacademies.ca](http://deltaacademies.ca) or call 604 952-5374.**

# Facility Rentals

## DELTA SCHOOL DISTRICT FACILITY RENTALS

The Continuing Education branch coordinates community use of schools and Delta School District facilities throughout the year. Facilities available for rent include gymnasiums, classrooms, multipurpose rooms, filming locations, and theatres.

Facilities are generally available for community use after 5:00 pm on school days and any time on weekends, and on non-school days such as spring and summer breaks. Rental rates vary according to the age and group classification, the type of facility required, and if additional custodial time is required. **For general enquiries, contact Facility Rentals at 604-952-5335 or e-mail [facilityrentals@deltasd.bc.ca](mailto:facilityrentals@deltasd.bc.ca).**

## FACILITY USE IN DELTA SCHOOL DISTRICT'S COVID-19 SAFETY PLAN AND LIMITS TO PUBLIC ACCESS

Delta School District has extending its cancellation of all indoor facility rentals to community groups until December 31, 2020 to support Delta School District's Stage 2 COVID-19 Safety Plan. This measure will be reviewed through the Fall based on the evolving situation with COVID-19.

This cancellation applies to all school district sites but does not affect any Continuing Education programs, other school district-sponsored activities, or licensees at school district sites, such as child care centres. *Based on the evolving situation with COVID-19, community rentals may again be cancelled or restricted, possibly with short notice.*

Please check [www.deltasd.bc.ca](http://www.deltasd.bc.ca) for updates.

When it is safe for Delta School District to re-open facilities to community use, all user groups will be required to support the measures in Delta School District's COVID-19 Safety Plan, including adherence to the Provincial Health Officer's Order for Mass Gatherings, physical distancing measures, daily use limits, and sanitization practices. Rental groups will be provided with Safety Plan guidelines with the terms

and conditions, and rentals permits will not be issued without agreement to these requirements.

## FACILITY RENTALS APPLICATION

The Facilities Rentals Application is used to initiate and confirm most facility rentals. For rental requests, please review our Terms & Conditions Governing Use of School Facilities and COVID-19 Safety Plan: Highlights Affecting Rental Groups, then complete and submit the Facilities Rentals Application at [www.deltasd.bc.ca/district/facility-rentals/](http://www.deltasd.bc.ca/district/facility-rentals/).

## TERMS AND CONDITIONS GOVERNING USE OF SCHOOL FACILITIES

Rental groups must agree to the "Terms and Conditions Governing Use of School Facilities". This document outlines policies on charges, damages, accident and liability insurance, supervision, fire safety, use of equipment, liquor licences, and pre-emption of use.

## WEEKEND RENTALS

Weekend facility rentals are subject to a 4-hour minimum custodial charge to provide opening and closing, security, and custodial services. *Additional cleaning time, depending on the nature of the rental group's activities, may be required on weekdays or weekends in order to meet BCCDC Cleaning and Disinfectants standards.*

## PERFORMING ARTS

Rental groups performing live music or theatrical productions are solely responsible for securing, reporting, and paying all application tariffs, copyrights, and royalties to bodies such as BMI, SOCAN, or any other performing rights society or body. When the rental group uses recorded musical works as part of their public performance of a non-concert event, such as a dance recital, Delta School District must collect SOCAN Tariff 8 fees as a separate charge and remit them on behalf of the rental group.

## INDOOR FACILITY RENTALS ARE CANCELLED UNTIL DECEMBER 31, 2020 to support Delta School District's COVID-19 Safety Plan

*This measure will be reviewed regularly.*

Community rentals may be cancelled further or opened with restrictions based on the evolving situation with COVID-19.

**Please check [www.deltasd.bc.ca](http://www.deltasd.bc.ca)  
for updates**

The goal of GENESIS THEATRE is to inspire our community with accessible experiences that celebrate imagination, diversity, and connection.

*We hope that Delta audiences will soon be able to enjoy live performances safely and comfortably at GENESIS THEATRE.*

Genesis Theatre is a high-quality performing arts facility operated by Delta School District, an ideal venue for concerts, dance, drama, and large presentations. The goals of Genesis Theatre are to support the performing arts in our region and to inspire our community with accessible experiences that celebrate imagination, diversity, and connection.

A majority of the performances at the theatre are produced by our clients which include a number of quality companies that focus on dance, live theatre, comedy, and music. Genesis Theatre also presents a few concerts or theatrical productions each year, bringing renowned B.C. performing artists to Ladner with affordable ticket prices. Over the last couple of years, Genesis Theatre has been pleased to welcome Barney Bentall, Powder Blues, 54-40, Jim Byrnes, and others to our stage. “Like” us on Facebook to stay up-to-date on upcoming shows and events: <https://www.facebook.com/5005live>

Genesis Theatre is designed and equipped as a performing arts facility featuring 400 recently upgraded seats in a steeply raked house; full, fly stage; excellent acoustics; and good lighting and sound support. Ancillary facilities include: 2 large dressing rooms, both with make-up positions, shower, and adjoining washrooms; box office, upgraded lobby, and foyer. Please visit <https://deltalearns.ca/genesistheatre> for information about our venue, including our seating map.

## **GENESIS THEATRE AND DELTA SCHOOL DISTRICT’S COVID-19 SAFETY PLAN**

Delta School District has extended its cancellation of all indoor facility rentals to community groups, including Genesis Theatre, until December 31, 2020 to support its Stage 2 COVID-19 Safety Plan. This measure will be reviewed through the Fall based on the evolving situation with COVID-19.

When it is safe to re-open the theatre to community use, all rental groups will be expected to familiarize themselves with and support the measures in the Health and

Safety Protocols For Genesis Community Theatre document. This includes adherence to physical distancing measures, sanitization practices, and site management processes. In particular, the Provincial Health Officer’s Order for Mass Gatherings, which may significantly limit audience sizes, is expected to have a notable impact on performances over the next year. Rental groups will be provided with these guidelines along with the usual terms and conditions, and rentals permits will not be issued without agreement to these principles.

*Based on the evolving situation with COVID-19, community rentals at Genesis Theatre may again be cancelled or restricted, possibly with short notice. Please watch [www.deltasd.bc.ca](http://www.deltasd.bc.ca) for updates.*

## **HEALTH AND SAFETY PROTOCOLS FOR GENESIS COMMUNITY THEATRE**

Genesis Theatre is also a teaching facility of Delta Secondary School. The theatre is being cleaned and disinfected regularly in accordance with the BCCDC’s Cleaning and Disinfectants for Public Settings document and operational protocols include detailed practices related to access, seating, distancing, sanitizations, etc. We hope that audiences will be able to enjoy live performances safely and comfortably soon.

## **RENTING GENESIS THEATRE**

To make a specific request for a rental for your performance or event, please complete and submit a Genesis Theatre Booking Request form. To download a copy, please visit [www.deltasd.bc.ca/district/facility-rentals/genesis-theatre/](http://www.deltasd.bc.ca/district/facility-rentals/genesis-theatre/) and click the “Interested in Renting?” link.

Rental Rates and Additional Costs are also listed at this web page. Genesis Theatre has minimum staffing requirements, which are at the expense of the Renter. All rental groups must agree to the “Terms and Conditions” and, when the rental of a Delta School District facility involves a paid public performance featuring live or recorded music, renters are solely responsible for paying all required license fees to SOCAN or any other performing rights society or body.

Official receipts will be distributed at your first class. No confirmation of enrollment will be mailed to you, so please mark your calendar. If you register on-line, please print and retain your confirmation page.

## COURSES MAY BE CANCELLED

Delta Continuing Education reserves the right to cancel a class due to insufficient enrollment, the unavailability of teachers or facilities, or other reasonable causes. In such cases, registrants will be notified by telephone or e-mail and a full refund will be given. *Please also take note of our COVID-19 response readiness statement on page 2 and elsewhere.*

## WITHDRAWING FROM A CLASS

If you must withdraw from a class, please call the Continuing Education Office as soon as possible to let us know that you will not be attending. Refunds will be issued if the refund request is received by phone, in person, or via e-mail at [ContinuingEducation@deltasd.bc.ca](mailto:ContinuingEducation@deltasd.bc.ca) before the start of the course. An administration fee of \$20 will be charged on your withdrawal. Refunds are not given for forgotten or missed classes, so please mark your calendar.

## INCOME TAX DEDUCTIONS

Delta School District, Continuing Education Branch is certified by Employment and Social Development Canada so courses of a qualifying duration that develop or improve skills in an occupation are eligible for tuition tax credits. Please consult the Canada Revenue Agency ([www.cra-arc.gc.ca](http://www.cra-arc.gc.ca)) for specific details.

## WEB-SITE LINKS PROVIDED FOR INFORMATION ONLY

Any inclusion in this catalogue of a web-site address not directly affiliated with Delta School District is meant only as a source for additional information about a specific course or instructor for potential students. Such inclusion does not imply that Delta School District recommends or endorses any commercial product or service which may be promoted anywhere on such sites.

## TOBACCO AND CANNABIS PROHIBITED ON DISTRICT PROPERTY

Smoking and the use of tobacco in all its forms is prohibited on any School District property and within any District-owned building. Similarly, cannabis cannot be smoked, vaped, or otherwise consumed anywhere on Delta School District property.

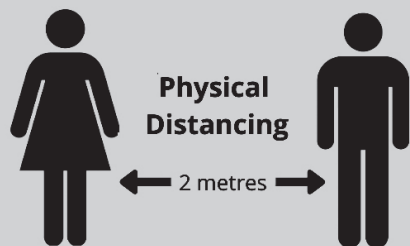

## CLASS POSTPONEMENTS / HOLIDAYS

*Classes/bookings will be postponed on the following dates:*

**Monday, FEBRUARY 15: Family Day**

**MARCH 15 through 26: Spring Break**

Other postponements may become necessary at individual schools and you will be informed if these affect any of your courses or bookings.

## CONNECT AND LEARN WITH DELTA CONTINUING EDUCATION... SAFELY

- If you feel sick, please do not attend class.
- Wearing masks at school is recommended, especially where physical distancing is more difficult to maintain.
- Gatherings cannot exceed 50 people in one space.
- Clean your hands before class, avoid close greetings, and practice good respiratory etiquette.
- Please follow any distancing and directional markers.

**Be kind. Be calm. Be safe.**

## LIFE-LONG LEARNERS: YOUR HEALTH AND SAFETY ARE OUR PRIORITY

Continuing Education programs follow Delta School District's COVID-19 Safety Plan. Classrooms and other spaces benefit from enhanced cleaning practices and classes undertake physical distancing and other precautions. Due to logistical challenges and the focus on safety, a number of Personal Development courses will not be offered this term but will return in subsequent terms as conditions improve.

**If circumstances change unexpectedly,** Delta Continuing Education, in response to recommendations from health authorities, may need to postpone classes or, where appropriate, teach through a combination of remote and on-line instruction.

**If it ever becomes necessary,** Fraser Health Authority will initiate contact tracing to identify any individuals that need to self-isolate or self-monitor for symptoms. If you do not receive a phone call or letter from Fraser Health, please continue attending class as planned. For privacy reasons, Delta School District staff cannot give out any further details.

### **For your safety, and the safety of other students, instructors, and staff, YOU CAN HELP:**

- Do not attend classes if you are ill
- Practice diligent hand hygiene and avoid close greetings
- Respect physical distancing measures in classrooms and hallways
- Bring and wear masks when the nature of the class makes physical distancing difficult or while in high traffic areas such as hallways.

### **PLEASE BE AWARE:**

- Names of members of a specific class will be shared with public health authorities only if requested for the purposes of contact tracing.
- Visit [www.deltasd.bc.ca](http://www.deltasd.bc.ca) for up-to-date information related to Delta School District, its COVID-19 response, and links to resources.
- The Provincial Health Officer advises anyone who is concerned that they are experiencing symptoms of COVID-19 to contact their primary care provider or call 811.
- The Government of BC has established a non-medical information hotline at 1-888-COVID19. Phone lines are open 7 days a week and information is available in more than 110 languages.
- The Fraser Health Crisis Line provides immediate, free, and confidential emotional support, crisis intervention, and community resource information, 24 hours a day. Call 604-951-8855 or visit <https://www.options.bc.ca/program/fraser-health-crisis-line>

*Thank you and stay safe.*

## **Delta Teaching Assistant Certificate Program, Fall 2021**

- Quality instruction and practicum placements
- Credibility and track record with B.C. employers
- A manageable part-time schedule
- Affordable tuition rates

**THE PRIORITY DEADLINE  
for applications is  
Friday, March 5, 2021**

Delta Teaching Assistant Certificate Program participants develop knowledge and skills necessary to work with K-12 students with special physical, behavioural, or learning needs. The DTAC program prepares its graduates to support students by implementing individualized programs and activities, assisting with tracking student progress, fostering positive interactions, providing personal care, and participating in community outings. The part-time program is offered over 10 months, through evening and Saturday classes and 6 weeks of full-time practicum experience.

Since DTAC's inception in 2000, the program has regularly responded to feedback from employers, teachers, and graduates by incorporating practical, sought-after skills and up-to-date information into the curriculum. DTAC coordinators and instructors are experienced educational professionals or specialists in relevant fields of health care, mental health, communication skills, and behavioural support. Program content and demand for Education Assistants in Metro Vancouver are reviewed yearly and adjustments are reflected in the curriculum, practicums, and the student selection process.

**THE PRIORITY DEADLINE** for applications for the Fall 2021 program is **Friday, March 5, 2021**, requiring submission of a completed "Application For Admission" form with all supporting documents.

# Delta Teaching Assistant Certificate (DTAC) Program

## REQUIREMENTS AND ASSETS WHEN APPLYING TO THE DELTA TEACHING ASSISTANT CERTIFICATE (DTAC) PROGRAM, FALL 2021

### English Language Proficiency:

Education Assistants must communicate successfully with students of various abilities and with the educational support team, and must provide curricular support to students, including at the secondary school level. Applicants must show successful completion of English 12 or Communications 12, or a post-secondary English course. Other English proficiency credentials or indicators (IELTS, TOEFL, LPI, etc.) will be considered on an individual basis but an English assessment may be requested prior to admission.

### The Roles of Education Assistants in B.C. Schools:

Applicants should understand enough about the work of an E.A. to know that the career choice suits their interests, skills, and temperament. All students are encouraged to research the qualifications favoured by individual School Districts by visiting the *Make A Future: Careers in BC Education* website at: [www.makeafuture.ca](http://www.makeafuture.ca). Search the sections on "Education Assistants" under the "Careers" tab for details on position types and qualifications, and the "Metro Vancouver" section in the "Regions & Districts" tab for specific details for local School Districts.

### Experience:

Volunteer or work experience with children or youth in school settings (K to 12) and/or with children, youth, or adults with special needs is an asset to applicants, along with any post-secondary courses or occupational workshops in education, psychology, inclusive learning, health care, early learning, or behavioural support.

### Selection Process:

Class size each year is limited so acceptance into the DTAC Program is through a competitive application/ selection process. Applicants are evaluated on completeness and quality of the submitted application; strength of the hand-written statement; quality of reference letters; relevant work and/or volunteer experience; understanding of the role of an education assistant; preparedness for the program's demanding schedule; and other applicable educational, academic, or personal credentials. Due to the large number of qualified applicants received by the application deadline each year, late applications are not reviewed until applicants received by the priority deadline have been considered.

### EMERGENCY FIRST AID

DTAC students must have an Emergency First Aid certificate that is valid when they graduate and when they begin to seek work with School Districts after graduation. Emergency First Aid deals with life-threatening emergencies for children and adults. Course fee includes manual.

**DTAC students:** The first aid course dates below do not conflict with your core Saturday workshops (DTAC 701 and DTAC 600). Please take care to register only for dates that do not conflict with other required classes.

### EARLY CHILDHOOD EDUCATION ASSISTANT PROGRAM

#### *Early Childhood Educator Assistant Certificate*

This program is specifically designed to meet the needs of those wanting to obtain an Early Childhood Educator Assistant Certificate while ensuring that they receive a more thorough grounding in Early Childhood Education than just the required single course of training. The first years of a child's education are among the most important. During this time, educators have a profound impact on a child's success in development so quality early childhood education depends on high-quality staff training and professional development. This ECE Assistant program meets the academic requirements necessary to apply for provincial certification as an ECE Assistant. ECE 106 and ECE 204 credits can be transferred to the Delta Basic ECE Certification program if a student decides to pursue full certification within one year.

#### **Component Courses**

- Observation Workshop
- Writing Workshop
- ECE 106: Interpersonal Skills
- Introduction to ECE
- ECE 204: Health, Safety and Nutrition

## LIFE SKILLS AND SOCIAL GROUPS

Delta Continuing Education is funded by the Ministry of Children & Family Development and Community Living BC to provide skilled staff to support children and adults with developmental disabilities one-to-one and in group settings. Life skills staff support the individual goals of participants related to the development of community awareness and recreation skills, social skills, and life skills.

## AUTISM INTERVENTION PROGRAM

Delta Continuing Education provides intervention staff to work with children diagnosed with ASD by contracting directly with families who wish to use their Autism funding. Our staff will work with you and/or your team to facilitate the goals outlined in your behaviour support plan.

## Employment Opportunities

The Life Skills Program offers part-time employment supporting children and adults with developmental disabilities in Delta. The hours are flexible with an average of 16 hours per month. Activities and skills taught are based on individual support needs.

Applicants must be at least 19 years of age, and have a valid driver's license, current first aid certification, and experience supporting people with developmental disabilities. Knowledge of a second language, including ASL, is an asset. Males are encouraged to apply. **To apply, submit your resume to Marilyn Neufeld, Program Coordinator, at [mneufeld@deltasd.bc.ca](mailto:mneufeld@deltasd.bc.ca) or to 4750 – 57th Street, Delta, B.C. V4K 3C9.**

## Arts, Crafts, & Hobbies

### **DELTA MUSIC MAKERS – CONCERT BAND**

The Delta Music Makers Concert Band is a large band of brass, woodwinds, and percussion that is known for its welcoming, friendly atmosphere. We welcome former high-school players, even if that was many years ago. In some cases, a few private lessons might be required, but you are welcome to come and listen to a rehearsal before making a decision. Mostly needed right now are clarinets, trumpets, and tenor saxes. (Please note that our alto sax section is filled.) *Special health protocols for participation remain in effect.*

### **DIGITAL PHOTOGRAPHY - INTRODUCTION**

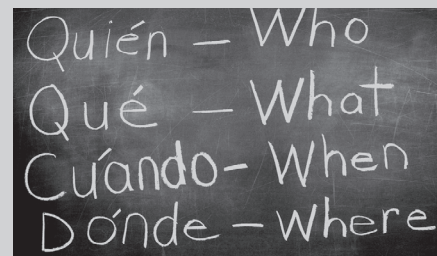

Do all the modes your camera offers leave you confused? Would you like to get back to basics and turn the auto features off so that you get the images you control in manual mode? Learn how the camera really works. Make your own decisions and experience the special moment that happens when you trip the shutter and know instantly you have your picture. Photos are taken in a moment. This fact alone should change what you see and how that affects your composition. Learning some things about how that special moment is at the heart of great photography can lead you to capture truly memorable images. This short 4 week course will expose you to practical and theoretical knowledge so that you can begin the process of taking pictures you enjoy, your way. Bring your enthusiasm and your questions! *Please bring your digital camera to class.*

# Career & Apprenticeship Programs

Career development is one of the three key goals of the education system in British Columbia. Delta School District has a variety of programs and initiatives to help students connect or explore their passions in life to a career and further education or training. This provides the opportunity to refine their career goals and also start a career up to 3 years early. Students and parents are connected to Career Programs through Career Education K-12 curriculum, and Work Experience Teachers, Career & Post-Secondary Advisors, Career Facilitators, and Counselors. Please visit [www.deltalearns.ca/careers](http://www.deltalearns.ca/careers) for application packages, brochures, further info, and the latest offerings. See your school's Career teacher and for Trades programs also see the [www.itabc.ca](http://www.itabc.ca) website under Youth Programs.

**WORK EXPERIENCE 12** (Career Preparation Program): This elective program allows Grade 11 and 12 students to develop their employability skills and are placed with local employers in usually unpaid positions that align with their interests, passions, and future career goals. Registration is required. Four focus courses are selected as well. The community becomes the classroom where students gain experience in the workplace and are able to embrace or revise their career goals. Students receive feedback from employers about their employability and technical skills related to specific occupations.

**CTC CADD** - Career Technical Centre allows students to apply for the CADD (Computer Drafting & Design) courses at Kwantlen Polytechnic University part-time in the evenings for dual-credit. This is the first part of a CADD Diploma which can continue in Architecture or Mechanical. The district will cover the tuition for accepted students for the first two courses, with the student responsible for the course tuition in the summer as well as books and transportation. For more information on CADD CTC contact your school career contacts.

**Youth TRAIN in Trades** (was ACE IT) is the opportunity to apply for the technical training of an adult level industry apprenticeship path. It is the first year of the 20% classroom /shop component of becoming a journeyperson

(work-based training on the job is the other 80%). While most suitable for grade 12's, grade 11's and Grad's to age 19 may apply. Students can earn credits for 'level one' of technical training, secondary graduation, and even Post-Secondary credits. That means they will have a significant head start - as well as gaining practical and in-demand skills. Train in Trades programs are offered as partnerships between school districts and training providers, as well as our own Designated Trainer facilities. The District generally pays for the tuition costs with students being responsible for all other costs such as PPE, textbooks, and transportation. Students must follow an application process (due before spring break) and have the needed essential skills to be considered for a District Youth Train in Trades program. Application does not guarantee acceptance as seats may be limited and competitive.

**Youth WORK in Trades** (was SSA) Earn while you learn! Youth apprenticeships allow students age 15 to 19 the opportunity to begin any of the 100+ apprenticeships up to 3 years early, earning hours towards their trade as well as graduation credits. It is the beginning of training on the job which is typically 80% of becoming a journeyperson (classroom/shop training is the other 20%). Students must be hired (paid) and working under the direction of a Journey Person and the employer must agree to sponsor them with the ITA. Up to four grade 11/12 courses and a \$1000 award are possible. This is a great start or continuation to Train in Trades (ACE IT) technical training.

Youth Trades programs are provided through a funding arrangement with the Ministry of Education and the Industry Training Authority, a BC Provincial Government Crown Agency

For Career Program information visit us at [www.deltalearns.ca/careers](http://www.deltalearns.ca/careers) and contact your student's school Career staff.

*If you are an employer willing to provide opportunities for Work Experience students, or your company has tradespeople that could sponsor an apprentice please contact us as well! There are several federal & provincial financial benefits for companies willing to apprentice our youth*
