| INTERNATIONAL TRAVEL:  | WHAT TO DO  |
| Have you returned from travel<br>outside Canada in the last 14<br>days?  | If yes:<br>All students and staff who have travelled outside of Canada are required<br>to self-quarantine for 14 days after arrival under both provincial and<br>federal orders.<br>This includes students who are attending school from abroad. Students<br>from outside of Canada should plan to arrive in Canada at least two weeks<br>before they are scheduled to attend school to adhere to the self-<br>quarantine orders. Additional information is available here. |
| CLOSE CONTACT  | WHAT TO DO  |
| Have you been contacted by<br>public health and notified that<br>you are a close contact of a<br>person confirmed to have<br>COVID-19? | If yes:<br>Please follow the instructions provided by Public Health.<br>You can call 8-1-1 anytime to get advice about how you are feeling and<br>what to do next. Pay attention to how you are feeling. If it becomes harder<br>to breathe, you can't drink anything or feel much worse, seek urgent<br>medical care at an urgent care clinic or emergency department.   |

Check your symptoms with the <u>K-12 Health Check</u>. If you have any questions, or the symptoms get worse, contact your healthcare provider, or call 8-1-1. For more information on COVID-19, please go to <u>www.bccdc.ca</u>. If you develop severe symptoms, such as difficulty breathing (e.g. struggling to breathe or speaking in single words) or chest pain, call 9-1-1 or go to the nearest Emergency Department.
