

Rising Expectations

Notification

The Code of Conduct recognizes that as children grow and mature, they are more able to make appropriate decisions and to be responsible for their actions. As students progress through school, they are expected to:

- Acquire greater knowledge and understanding about their personal behaviour and its impact on others
- Learn and utilize appropriate decision-making strategies
- Demonstrate increasing self-discipline
- Take increasing personal responsibility for their actions and learning
- Be subject to increasing consequences for inappropriate behaviour

Consequences

When determining consequences, and in compliance with Administrative Procedure 355 - Suspension and Expulsion of Students, consideration is given to the maturity as well as the intellectual, social and emotional capacity of the student along with the severity and frequency of the misbehaviour. Consequences are to, where appropriate, follow District procedures and will:

- Be thoughtful, consistent and fair
- Seek to prevent a recurrence of the offense
- Teach acceptable social behaviour rather than be merely punitive

And where appropriate

- Provide means for restitution and restorative actions
- Involve the offender in determining a corrective plan of action

For breaches of the Code of Conduct, notification may occur as follows:

- Parents of student in breach of the Code of Conduct
- Parents of student victim(s)
- School and District personnel - where appropriate
- Police and/or other agencies - where deemed appropriate or where required by law
- All parents of the school community - when deemed important to reassure members of the school community that school and district officials are aware of a serious situation or incident and are taking appropriate action to address it
- When the breach of the Code of Conduct is criminal in nature, police will be consulted prior to public notification

Introduction

Conduct Expectations

Unacceptable Conduct

The Delta School District, which includes staff, parents and students, has the responsibility to provide and ensure a safe and positive climate for learning. The District Code of Conduct provides a broad framework of behavioural expectations for students. This framework guides school communities in the development of their own codes. It is expected that all members of the school community will uphold the underlying principles of the District and School codes which include respect for self, others, property, and the environment.

The Code of Conduct recognizes that as children grow and mature, they are more able to make appropriate decisions and to be responsible for their actions.

The Purpose of the Code of Conduct as referenced in Administrative Procedure 350 - Student Conduct and Discipline, is to:
